

MIDYEAR HIGHLIGHTS

11,127

hours of hands-on volunteering

\$966,215

value generated in volunteer time and pro-bono consulting

\$91,159

given in donations through quarterly drives and in-offices

224

giving opportunities

Building Impact's mission is to strengthen communities by empowering individuals and companies with the opportunity to volunteer, donate, and connect with high impact, local NonProfits working on critical social issues.

Building Impact makes giving back convenient by bringing volunteer events and donation drives to participants and to offices and buildings where they work, live, and study. We partner with your company to implement a fully integrated volunteer program of options and opportunities with our ways to serve.

Building Impact envisions a day when everyone can be a part of the community in solving complex social issues. We believe systemic change begins one individual, one nonprofit, one building at a time.
